Mr. Oo -shibu,

See you next week

Atten -tion!

Stand up!

Tetsudome Toyo (29)

That's why the young was respected and self-defense classes were incorporated into the school curriculum at the same time.

Repeated disasters and terrorist attack have accelerated Japan's pop -ulation decline in this era.

I guess in this generation, we have to teach self-defense to our children, right?

And my girlfriend and I were self-defense instructors.

Story

After Sanda's identity was compromised, he promised to talk to Ooshitsu after the incident. However, Ooshitsu asks if the talk was about his "old man". Sanda reiterates that HE is Santa. Ooshitsu loses it and asks Sanda to fight him again. However, the chairlady came in and interrupted them.

T/S: There was no translated of the summary so I just made one up :)

Har Har...

Hey, Sensei!

C'mon, we're still at school.

As long as I have you...

I honestly don't give a shit about the outside world.

Beaut -iful teach -ers.

Beau -tiful stud -ents.

Beaut -iful school build -ings.

Only this school, where Toyo and I were in, was a sanctuary.

In this filthy country,

Ah!

Are you okay?

Toyo

You've been in the bath for so long, I was getting worried,

Sorry about that.

Well, until they're actually like this without the bath...

You know, when you take a bath, your hands get all wrinkled, and I like to see it.

I wish I could still be with you by then.

I love you.

I couldn't agree with you more, Toyo.

I love this woman.

DIE, TETSU -DIME TOYO

(6-13)

This perfect, beautiful moment...

I know it can't last forever.

And we'll be treated as if we're nothing in a country that's only getting worse.

I'll never see your face again.

And...

One day, you'll get old and leave this school.

AH

...!

WHAT WAS I DOING... PLEASE, PRETEND YOU DIDN'T SEE THAT.

I'M NOT THAT SERIOUS!

TOYO!

NO, YOU GOT IT WRONG!

We've known each other for a long time.

I know what you're thinking.

TOYO ...!

Why are you laughing?

How much do you love me?

It's just...

If you can kill me, go ahead and do it.

You can't kill me because you love me, right?

I don't think you could be that dex-terous.

Guh...

Until you won't be able to bear to look at me.

We'll grow old together.

GRAB

I'm in love with that soft side of you

WE'LL BE WRINKLIER THAN A PIECE OF ROLLED UP AND UN-FOLDED RICE PAPER!

I'm going to be with you, and I'm going to be the chancellor.

D-RAG

Just look.

Don't worry, I would never be miserable.

R/D Oi, is she forcing herself on Oooshibu?

One who doesn't do much work, but some-times has plausible deniability...

That's the kind of hag I want to be!

T/S: Paru knows how to draws these damn face, dayum

(NSHSS)

Why are you so beautiful?

You're a hard man to please.

Are you going to kill me for rest of our lives?

Even though we still loved each other, we were always on the edge...

From then on

At last, they finally developed this! This drug will slow down the aging process!

No, I don't want to kill you. Look!

Let's take this shot together! No more fights... Let's live our beaut -iful lives toge -ther!

What monst -rosity! I told you, I'll age naturally!

And you, of course, will be along for the ride!

... You're just afraid.

I under -stand.

I'll go first!

I realized then, for the first time,

Seeing Toyo cry like so many ordinary women

It was rather unusual...

Oh, Chancellor Tetsudome! Good morning!

Morning-

That was a long time ago, over 60 years.

You dropped something.

パサ…

Damn hag.
